Turn on your radio
And choose our frequency
We are on-air
All over the world to be
In your head, in your ear
Just to clear your mind
Leave it all behind

Ready to dance

On party frequency
This is Radio Hardcore
Rocking the floor

D-Do you want more?

Na, na, na

Hey, on the radio
Na, na, na
Na-na, na, na
So turn on your radio!

Now listen up you all
We're breaking down the wall
Just raise your voice
Get ready to make some noise
Close your eyes
Move your feet
Open up your mind
