

# Spaceman

Italobrothers

Hey, hey, Spaceman  
I wanna see your hands  
C'mon get up and dance

Hey, hey, Spaceman  
Come take me up and then  
We do it all again

Yeah, the Universe  
Is our Playground  
Every Galaxy  
Has her own Sound!

C'mon Spaceman  
Take me to the stars  
C'mon Spaceman  
I wanna fly to Mars

Hey, hey, Spaceman  
I wanna see your hands  
C'mon get up and dance

Hey, hey, Spaceman  
Come take me up and then  
We do it all again

(Hey, hey, Spaceman)  
(Hey, hey, Spaceman)  
(Hey, hey, Spaceman)

Hey, hey, Spaceman  
I wanna see your hands  
C'mon get up and dance

Hey, hey, Spaceman  
Come take me up and then  
We do it all again

(Hey, hey, Spaceman)

Yeah, the Universe  
Is our Playground  
Every Galaxy  
Has her own Sound!

C'mon Spaceman

C'mon Spaceman
