

## Mellow Carousel

Itchyworms

If you open the door, you can see all the floor  
And you'll see that you can do so much more  
If you ask for a light, say goodbye to the night  
Then we can go ride my famous  
Mellow Carousel

There's a mop on the top if you're looking for pop  
But you can do so much more than that  
Seeing more than it seems. Do you know what I mean?  
Singing lines from Michael Jackson's  
Pour some water on the horse  
Give them shoes. Give them oars  
Come and ride the carousel  
Bring some notes to sell

Tell me where you will go. Will you go with the flow  
And in turn get lots and lots of dough?  
Look inside who you are. Do you wanna get far?  
From that overcrowded ride called  
Mellow Carousel
