

Panic In My Mind

Itchyworms

You don't even care
'Bout the silverware
And the souvenirs
And the frozen tears

In a foreign land
You don't understand
What it's like to be
The anomaly

If the future's bright
Let's just hold on tight
It's a winding road
Super overload

When I think about
Things that make me shout
Buzzin' around like a bee in my ear

There's panic in my mind
There's panic in my mind
There's panic in my mind
There's panic in my mind

So he's holding you
What am I to do
With your strawberry hair
It gets everywhere

Have you found the one
The oblivion
How I loved you so
You will never know

Is he lovin' you
Like I used to do?
Tell me blow by blow
I don't wanna know

Is it such a crime
Thinking of you all the time
Wonderin' if both of our worlds still align

There's panic in my mind
There's panic in my mind
There's panic in my mind
There's panic in my mind

There's panic in my mind
There's panic in my mind
There's panic in my mind
There's panic in my mind

Oh is it such a crime
Thinking of you all the time
Wonderin' if both of our worlds still align

There's panic in my mind
There's panic in my mind
There's panic in my mind
There's panic in my mind

There's panic in my mind
There's panic in my mind
There's panic in my mind
There's panic in my mind
