

## ... In The Morning

ITZY

Shhh  
Guess who loves you? Yeah, that's right  
Do I show you? No, not I  
Where's the mystery? It's not time  
Get you close, I get you close then  
Bam, in the dead of the night

I'mma steal your heart away  
You are gonna love me  
You won't even know what hit ya  
'Till I'm baring my teeth  
'Cause I'm so good at playing the role  
I won't be the first one to fold  
If loving you makes me a felon, whodunit who?  
You'll never know

Am I getting you, getting you just a little confused?  
You know I never could  
Never could stick to all of the rules  
Well, it's finally, finally time to make up your mind  
Hope you're ready  
Who knows what could happen in the night?

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia  
Watch your back until the break of day

Target in the night, you don't even know  
Hit you like the mafia  
In the morning light, you don't even know  
Hit you like the mafia

Oscar-worthy, got you fooled  
Playing innocent but, I'm a wolf  
You don't have the faintest clue  
I been planning for a while  
Baby, all systems are go

Better watch your, watch your heart  
'Cause you're no match for me  
I'm a break in, break in, break in  
Like a caper movie (Ready)

Can you read my poker face?  
Hit me, I'm raising the stakes  
Hurry up baby, catch me if you can, ha-ha

Am I getting you, getting you just a little confused?  
You know I never could  
Never could stick to all of the rules  
Well, it's finally, finally time to make up your mind  
Hope you're ready

Who knows what could happen in the night?

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia  
Hit you like the mafia

Been moving slow undercover, baby  
You know in the morning  
I'm the last one standing, yeah-yeah

(MA) My lil game  
(FI) Finishes tonight  
(A) I'mma get ya

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia

I'm the mafia  
Ma-ma-ma-ma-mafia, ya-ya  
We do it like a mafia  
Watch your back until the break of day

Target in the night, you don't even know  
Hit you like the mafia  
In the morning light, you don't even know  
Hit you like the mafia
