Okay ay I just want to get my way
I guess I was made this way
When I hear happy music in the streets
Dance dance on the street

Right and wrong, it's complicated
Don't be bittersweet
Easy easy take it easy
There's always an answer, yes

Sometimes I get off track (it's alright)
But it makes my heart flutter (unknown path)
They say nothing's gonna work as you think
(So what?) There's an answer for that

Break ice break summer
Why?
Break ice break summer
Why should I act like a grown-up?

No wonder I can't grow up
Break ice break summer
(Yeah yeah)
Blocking my way

Break ice to break summer
Break ice break summer
(Yeah yeah)
There's no other way but to trust myself

Umm umm wanna be myself
I like myself ay
If I close my eyes
The world disappears, yup!

Stop saying as
This is right, that is right
Ouch my head hurts, it's too hot
Just take a spoonful of cold shaved ice

I'm gonna get the top of me
Come out if you know me better hey hey
Thank you but I'm good

Sometimes I get off track (it's alright)
But it makes my heart flutter (unknown path)
They say nothing's gonna work as you think
(So what?) There's an answer for that

Break ice break summer
Why?
Break ice break summer
Why should I act like a grown-up?

No wonder I can't grow up
Break ice break summer
(Yeah yeah)
Blocking my way

Break ice to break summer
Break ice break summer
(Yeah yeah)
There's no other way but to trust myself

Ice ice break ya
Common sense break ya
Typical ideas blocking our way
Break break break break them all

Follow the map
Painted in your heart
Listen carefully to that voice
I'm gonna find it always from within

There's an answer, an answer Oh!
Break ice break summer
(Ye ye)
Blocking my way

Break ice to break summer
Break ice break summer
(Ye ye)
There's no other way but to trust myself

There's an answer for that
Ice ice break ya
