People look at me, and they tell me
They look at my looks alone and say I'm a punk
So what? I don't care, I'm sorry
I don't care, don't care, really don't care, because

I don't care for love
There's much more fun out there in the world
Sisters tell me I still have a long way to become mature
I'm sorry sorry, I don't want to be mature, nope

Just pretty but not attractive at all
I'm different from the kids
I'm different
Don't measure me by your standards alone
I love being myself, I'm nobody else
I'm different

I love myself
Something's different about me, yeah
I love myself
Something's different about me, yeah
I'm different from you, yeah

Bad, bad I'm sorry I'm bad, I'm just the way I am
It's such a little time to care about what others think
I'm busy doing what I want to do
My life, I will live my own way, don't you care
Cause I'm special, yeah

I don't care about what others think
I like my style cause that's me
Sisters tell me I'm daring
I'm sorry sorry, I don't want to change, nope

Just pretty but not attractive at all
I'm different from the kids
I'm different
Don't measure me by your standards alone
I love being myself, I'm nobody else
I'm different

Don't care what people say, I know myself
I'm talking to myself, keep your head up
Hold your head up and go after your dreams
Just keep on dreaming

Keep your chin up, we got your back
Keep your head up, just keep on dreaming
Keep your chin up, we got your back
Keep your head up, just keep on dreaming

Just pretty but not attractive at all
