

# GOLD

ITZY

Gonna do it big shining everywhere we go  
Ain't no stoppin' it you know we about to blow  
Goin' to my head going all out of control  
'Cause I shine so bright like dynamite GOLD

Everyday I get it  
Wait a minute  
Never quit it  
Wait a minute  
I move it quick onto the next so don't forget it  
What  
Just keep it going up, up, up, up, up  
Yeah, we way up in the clouds now  
Ain't no way we coming down

That thing that you do  
That thing that you do  
Makin' my heart skip a beat  
Diamond type of feel, yeah you give me chills  
What's the deal?  
Always in my head you a repeat of my favorite song  
Take it to the edge, I could feel it baby, all along  
Can't help that we shine and we bright all around  
Get up, let's go another round

It's like GOLD  
Keep my eyes up on the glow  
Day and night we beaming, blazing just like that  
Day and night we beaming, blazing just like that  
It's like GOLD  
Oh, you love the way we glow  
Day and night we beaming, blazing just like that  
Head to toe we're G-O-L-D, gold

Gold in the air gold everywhere  
You won't never find me in the shadow, all I do is win gold  
Hey, everyday  
We shining brighter than the stars  
You see the light from outer space

What you want to do  
What you want to do  
You is a red flag to me  
Diamond type of feel, yeah you give me chills  
What's the deal?  
Always in my head you a repeat of my favorite song  
Take it to the edge, I could feel it baby, all along  
Can't help that we shine and we bright all around  
Get up, let's go another round

It's like GOLD  
Keep my eyes up on the glow  
Day and night we beaming, blazing just like that  
Day and night we beaming, blazing just like that  
It's like GOLD  
Oh, you love the way we glow  
Day and night we beaming, blazing just like that

Head to toe we're G-O-L-D, gold

Yeah

It's like, It's like, It's like

It's like GOLD

I'll keep following the glow

Day and night we beaming, blazing just like that

Day and night we beaming, blazing just like that

It's like GOLD

Even in the dark I glow

Day and night we beaming, blazing just like that

Head to toe we're G-O-L-D, gold
