I'm gettin' LOCO, LOCO

I'm trapped and there's no way out, surrounded
By my thoughts of ya, I think I'm a little obsessed
I feel like I was born to love ya

Oasis for this kitty Fresh like rain when I'm thirsty
Gon' lock you down I got my eye on you, yellow
Feeling the fuego tonight, come and fan the flame

It's too late, want you so bad, I decided not to fight it
Can't contain it anyway 'cause you got me blinded

Such a rush, you're making me lose my mind
You got me like CRAY-CRAY-CRAZY in love
What you're doing to me?
Can't get off this bad roller coaster ride
You got me like CRAY-CRAY-CRAZY in love
I'm addicted, outta control

I'm gettin' LOCO, LOCO
I'm gettin' LOCO, LOCO

So tell me what's your intention
I'm tripping when I know you playing with my emotions
I keep on going back and forth, it's hell then heaven
Pushing me right to the edge of broken
So dangerous, so so so dangerous, uh-oh
Ain't the type to risk it all
But you got me acting irrational

Oasis for this kitty So stay, I need you next to me
Break down my defences, I don't wanna fight it

Such a rush, you're making me lose my mind
You got me like CRAY-CRAY-CRAZY in love
What you're doing to me?
