

SNEAKERS

ITZY

Yeah, yeah
Let's go
Like what?

I'm offbeat and I like that
I dance to my own drum, drum
I'm sorry if you can't handle this
But that's not my fault, no

Told you, I don't care at all
Deal with it, I'm here to stay
On a different level
Don't need no guidance
I'm making my way

I'm on my way up
Run to the top
I'm fly, to be straight up
Don't you bring me down 'cause I won't stop

Call me crazy, call me trouble
Or you can call me weirdo
Imma make this clear though

I got all I need to make it through
It's all about that attitude
You know what I'm saying

Put my SNEAKERS on
□□ □ Ready, get set, go
Put my SNEAKERS on
Put 'em up, put 'em up
Put my SNEAKERS on
Tie 'em up, ready, get set, go
You know I'm making moves, yeah, yeah
Put 'em up, put 'em up

Rocking up to the track
Stand up, stand up
Ain't no holding me back
Don't stop, don't stop
Get loose
Come take a step in my shoes

Party getting started
I only walked through the door
Trailer's got you pumped, yeah
My best is yet to come

Call me crazy, call me trouble
Or you can call me weirdo
Imma make this clear though
I got all I need to make it through
It's all about that attitude
You know what I'm saying

Put my SNEAKERS on

Tie 'em up, ready, get set, go
Put my SNEAKERS on
Put 'em up, put 'em up
Put my SNEAKERS on
Tie 'em up, ready, get set, go
You know I'm making moves, yeah, yeah
Put 'em up, put 'em up

I don't run for no one else
I'm only running for myself
Don't care now
Me against the open road
I wanna follow where it goes
Start right now
Yeah, alright
No sweat, hey, that's how I ride
Don't worry about it 'cause you know I
Put my SNEAKERS on

Call me crazy, call me trouble
Or you can call me weirdo
Imma make this clear though
I got all I need to make it through
It's all about that attitude
You know what I'm saying
You better put your SNEAKERS on

Put my SNEAKERS on
Tie 'em up, ready, get set, go
Put my SNEAKERS on
Put 'em up, put 'em up
Put my SNEAKERS on
Tie 'em up, ready, get set, go
You know I'm making moves, yeah, yeah
Put 'em up, put 'em up

I don't run for no one else
I'm only running for myself
Don't care now
Me against the open road
I wanna follow where it goes
Start right now
Yeah, alright
No sweat, hey that's how I ride
If you want, you can ride shotgun
Put 'em up, put 'em up
