Our own secret
I want to know your story (Your story)
Tell me what it's all about
Look, growing bigger
The blue in my eyes
I'm drawn to
Your mystery (Oh, yeah)

Right now, in front of my eyes
Into the different world where you lived
Flying to find you
Into your beckoning embrace, oh
It begins like magic, oh

I want something supernatural
A blue mirage
Oh, reaching out
Falling down, I'm drawn to you
Oh, so magical
Show me more of that dazzling world
Give me supernatural

Oh, I want it, I want it
The supernatural
I want it, I want it
The supernatural
I need it, I need it
The supernatural
The supernatural
Oh, woah, woah, woah

You're like a new world
As mysterious as a painting
I want to go a little farther, rush
A touch that feels like light mist
Tonight
As if I could grasp it
Shine all night
The gravity surrounding me (Oh)

Right now, in front of my eyes
Into the different world where you live
Flying over and over
Everything feels new because it's unfamiliar
As if opening my eyes for the first time, oh

I want something supernatural
A blue mirage
Oh, reaching out
Falling down, I'm drawn to you
Oh, so magical
Show me more of that dazzling world
Give me supernatural
