Casting you wanted, but I'm sorry
I'll have to decline politely
You weren't like this,
You're meddling too much
In your little phone, you've locked me up
How I dress and how I talk is like what now
Your type and style I don't understand at all

Ring ring Where are you what you doing babe
Ping ping the smackdown begins

You're pushing it but I don't care
So baby no no no, don't call me no more
I don't need it, you're calling me right now
You make me crazy stop right there

Sorry next
Swipe swipe swipe swipe swipe
I'm sorry, but next
Swipe swipe swipe swipe swipe

Get out from the front seat baby hurry
No more cherry picking cherry picking
Don't try to change me, honey
Swipe swipe swipe
Yeah, to the next
Ay yeah
Sorry, next
Ay yeah

Why are there so many things you can do but I can't
That fresh idea of yours
That I can't do it without you
It's everywhere all day, your harmful vibe
Please stop it, please don't kill my vibe

My best friend is like what now
She just looks cold. That's her default.
Ring ring who are you with babe
Tick tick I delete your message

I won't pick up the phone, please give up babe
Oh baby no no no, don't call me no more
I don't need it, I'll turn you off for a bit
You make me crazy stop it right there

Sorry next
Swipe swipe swipe swipe swipe
I'm sorry, but next
