The nagging, stop it I got this
Whatever I be it's up to me so please
I do what I wanna
Can you just leave me alone whether I live a normal life or not
It's me who lives this 'cause it's my life
I'm so bad bad, I'd rather be selfish

Hundred times better than
Pretending to be nice and getting hurt
I'm just on my way, don't interfere, no no
I might just say it, mind your own business

No matter what they say I'm me
I just want to be me
I wanna be me, me, me
I don't have to be anything because
I'm perfect when I'm myself
I wanna be me, me, me

I don't wanna be somebody
Just wanna be me, be me
I wanna be me, me, me
I don't wanna be somebody
Just wanna be me, be me
I wanna be me, me, me

Errbody errbody errbody teachin' me (All eyes on me)
Do this, do that, all are dishing out something (Don't touch me)
Ah yeah yeah yeah yeah
It's me who takes care of myself
I'mma do my thang, just do your thang
Cuz I'm the one and only

People love to talk about others
Why do you care so much about others lives
Hey I'm sorry but could you leave me alone
It's none of your business
I do my own business

No matter what they say I'm me
I just want to be me
I wanna be me, me, me
I don't have to be anything because
I'm perfect when I'm myself
I wanna be me, me, me

No matter if you love me or hate me
