I'm depressed, it's depressing,
At this time, I'm depressed
I'm depressed, it's depressing,
What time is it now? 11:30
I'm depressed, it's depressing,
The gloomy clock ticks
I'm depressed, it's depressing,
Why did I eat the ramen? I probably gained weight
It's raining, it's raining,
Making things sticky, it keeps raining
I'm sleepy, I'm sleepy,
I'm too lazy to do anything
When time passes,
The breakup that tore my heart apart
When time passes,
The young memories that kicked away at the blankets
It gets forgotten, gets forgotten,
It just passes right by
It gets forgotten, gets forgotten,
But back then I thought that was everything

When time passes, this depression now
When time passes,
The things I said were hard and complained about
They will become things of the past,
The sharp and emotional memories
They will become dull, become dull
Like a square wearing down to become a circle

I'm depressed, it's depressing,
Becoming dull is depressing
I'm bitter, bitter,
As if I'm drinking herbal medicine
I'm depressed, it's depressing,
It's not a big deal but I'm depressed
I'm depressed, it's depressing,
As if I'm eating gloomy fruit, I'm depressed
