I tightly fastened my shoelaces and ran off with my dreams
Even now, my dreams haven't changed
Even though you are really beautiful
Why are you showing this sad face and crying?

Dance once more Once
It doesn't matter if you're no good at it
You can do your dance
Let me see it once
It's okay to smile
Beautiful Dancer

Hey this is the way it is
You don't have to be scared, it's okay
You can do your dance
A dance that's only yours
It's okay if it's not the best
Beautiful Dancer

These shoes have become all worn-out, but
I've always liked the color better than before

It's easier to be the same as everyone else, but
Don't forget you will always be you

Dance once more Once
It doesn't matter if you're no good at it
You can do your dance
Let me see it once
It's okay to smile
Beautiful Dancer

Hey this is the way it is
You don't have to be scared, it's okay
You can do your dance
A dance that's only yours
It's okay if it's not the best
Beautiful Dancer

Overcome those rainy evenings
And just like that you will be able to dance freely
I don't care who's around
Let's dance together to the rhythm of hope
There doesn't have to be a reason
Isn't it okay to do it just because it's fun?

Don't let the world spoil you
No matter what, you are beautiful

Hey this is the way it is
You don't have to be scared, it's okay
You can dance
A dance that's only yours (You can dance)
I'm a beautiful dancer
