

Cruel Fairytale (; Janhokdonghwa)

IU(???)

I bam jinago namyeoneun
Nal kkaeul geudae oltejyo
Han bangul ssik heullyeo noheun
Nunmul jeuryeo barbeumyeo
Jeo mun yeollimyeon tto dasi
Bichi naege daheultejyo
Geu ihuron yeongwontorok
Haengbokhage saltejyo

Yeol dusi jongi ullimyeon
Kkum sogeseo nun tteujyo
Saramdeurui chukbok soge
Chumchugo inneun uri dul

Nan sumeul swijyo (You will never know)
Nan saraisseoyo (Everyone fails to love)
Geu sasilmaneun na mideodo doeneun geogetjyo

Nothing lasts forever, nothing really matters

Nal chatneun giri heomhaeseo
Hemaego innabwayo
Eonjenganeun useumyeonseo
Geudae pume jamdeulgetjyo

Nan gal su eobtjyo (I will never know)
Nal mot chajeulkka bwa (Everyone tells me so)
I gidarimi da mulgeopum dwae beorilkkabwa

Nothing lasts forever, nothing really matters [x4]

이 밤 진아고 남예은
날 깨울 거다 올테요
한 방울 식혀둘 노헤
누름줄 겨우 바비큐
저 먼 월림에선 또 다시
비치 내게 다해ulte
그 이혼 영웅토록
행복하게 살테요

열두시 종이가 울림
꿈속으로 누나 떼
사람들이 चुक복
춤추고 있는 우리

난 수미를 swi (You will never know)
난 사랑sae (Everyone fails to love)
그 사랑sae 나 미데오 도에나 게오get

Nothing lasts forever, nothing really matters

날 채는 giri heomhaeseo
헤마고 innabwayo
은애는 useumyeonseo
거대 품에 jamdeulgetjyo

난 갈 수 없 (I will never know)

□ □ □□ □ (Everyone tells me so)
□ □□□ □ □□ □ □□□

Nothing lasts forever, nothing really matters [x4]

When this night passes
You will come to wake me
By stepping on the tears
I shed one by one
When that door opens
The light will reach me
And forever after
I will live happily

When the clock rings 12
I'll awake from my dreams
And amidst the blessings of others
We will be dancing together

I breathe (You will never know)
I am alive (Everyone fails to love)
I can believe in at least that truth

Nothing lasts forever, nothing really matters

Maybe because the road that leads to me is perilous
You are lost
But one day, I will be smiling
As I fall asleep in your arms

I cannot go (I will never know)
In case you cannot find me (Everyone tells me so)
In case this wait bursts like a bubble

Nothing lasts forever, nothing really matters [x4]
