He's probably busy on Monday
Tuesday seems too soon, don't you think?
Wednesday feels kind of awkward
I don't like Thursday for some reason
This Friday
How is this Friday?

It's too hard to wait till the weekend
Time, please go faster, I want to rush the clock
(Mind control)

Each minute, each second is so sweet
What is this man?
I can't help but to fall in love
All day, my heart rides on that clock hand
Getting closer to you with each tick

Na na na na na

This Friday
How is this Friday?

Although there isn't a movie I really want to see
Although there isn't anything I really want to eat

It's too hard to wait till the weekend
Time, please go faster, I want to rush the clock
(Mind control)

Each minute, each second is so sweet
What is this man?
I can't help but to fall in love
All day, my heart rides on that clock hand
Getting closer to you with each tick

It feels like something's come over me
What is this girl?
I can't help but love her
Let's meet this coming Friday
Take all of my heart on that day

Na na na na na (closer, closer)
Na na na na na na (closer, come closer)
Na na na na na (closer)
