We are all people capable of knowing these things
So isn't it polite to just pretend to believe in these lies?
I don't care, I'll become a fool, let's try anything
Don't give me a chance to think (jam)

I need sugar
I need something bad for my body
Stop with the lukewarm stuff
Wanna become honest? What does that mean?

I need some sugar
I need something fake
What does the truth mean? I don't care
We both know, there's a limit, it'll be over soon
Melt me before I cool down babe

Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again

We are all people capable of knowing these things
So isn't it polite to just pretend to believe in these lies?
I don't care, I'll become a fool, let's try anything
Don't give me a chance to think

Jam
Sugar ar ar
Love ove ove
Jam
Sugar ar ar
Love ove ove

Tell me you love me
Say those pretty things smeared on your lips
Sticky sticky, I'll keep it pickled
So it won't rot, for a long time

I need some sugar
I need something fake
I don't know natural, make it more provocative
Stop trying to know
The meaning, the damn meaning

Hurry and melt it all babe

Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again

Jam
So you can't even figure out what it is
Jam (look)
It's all over my body (love love love)

Jam
Baby make me be sweet
Baby make me so sweet baby
Jam Oh Baby make me be sweet
Baby make me so sweet

We are all people capable of knowing these things
So isn't it polite to just pretend to believe in these lies?
I don't care, I'll become a fool, let's try anything
(Fools, we are)
Don't give me a chance to think

Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
Cover it up, spill it on top, once again
