You clearly saw my text but there's no answer
Just how busy are you?
What're you doing afterwards? Wanna meet up?
Let's talk
The pattern is similar but
It's different from the beginning of our relationship
I could pretend to not notice but
This isn't about playing hard to get

We don't need
The subtle mind games anymore
It's dragging and dragging,
Our running time

We're carefully eyeing each other and wasting time
What is your real intention of making me anxious?
It's been long since our expiration date has passed
Our relationship has completely spoiled

Even before it rolls off the tip of your tongue,
My name already sounds so boring
When was the last time you called my name like a lover?
So sad

Can't make things boiling hot or completely cooled
The temperature is at a lukewarm state
There is no end to these mind games
I can't do this for another day, fine, I lost
Ugh, you coward
