You said you wouldn't wait
I told you I wouldn't cry
It's too late
Oh, it's too long

Can I stay like this for a second?
Yeah, it's a dream to be forgotten
Close your eyes. Last
I'll get you some sleep

My lullaby
Baby Sweet Goodnight
You won't have a scary dream
Your long, never-ending day
You're not gonna let her go anymore

I'm holding him still
It's a dream that's coming to an end
Relax. I'll sing you the last song

My lullaby baby
Sweet good night
You won't have a scary dream
Your endless long sorrows
You're not gonna let him go

I can't fall asleep.
Until the tired breathing died down
I'll keep your noisy night

I'll be nearby
Baby Sweet Goodnight
I'll always be there for you
And the days that I can't see anymore
Let go of me now

My edelweiss
Baby Sweet good bye

You can forget everything.
It's all right. It's all right. Let it go
