Stop being out so late
Try not to drink so often
You don't listen to me like a 10 year old child
I can only laugh
Who are you calling a child?
Really, I can only laugh
You don't know how it feels for me to say these things

You don't know that I only want to say nice things to you
Should I stop? Let's stop

From one to ten, they're all words for you
But since you don't listen to me, it's only nagging to you
Let's stop, let's stop
There's not even enough time to just love

A story told by the heart, not the mind
Stories that I can't help but tell you even if you hate them
Let's stop, let's stop
I only hear your nagging

Are you eating at the right time
Are you staying away from girls
I want to be beside you all day
That's how I feel
If I could keep you in my pocket
I'd be really happy

Our story where we can only be two
A story that would make someone laugh if they heard
Should I stop? Let's stop

From one to ten, they're all words for you
But since you don't listen to me, it's only nagging to you
Let's stop, let's stop
There's not even enough time to just love

A story told by the heart, not the mind
Stories that I can't help but tell you even if you hate them
Let's stop, let's stop
I only hear your nagging

Even if you glare and try to scare me
Your face is just too cute to me
Are you going to keep this up? (You) I can't hold back anymore
I really might get angry

A story that wouldn't be told if we were to give up love
The sound of my heart that thinks only of you
Even if you're angry, even if you shout
Your nagging is just so sweet to me

A story that can only be told if we love
But since you don't listen to me, it's only nagging to you
Let's stop, let's stop
But trust my feelings
