With a red hat on my head  
I am a clown, always smiling  
Behind that laughter, there are tears that no one knows of

Even though I smile at my miserable self  
I am beautiful  
Everyone with their black neckties  
They can't say anything

Everyone is dancing and laughing  
But I don't like that  
While we drink and look for love  
We forget the truth

I like the smiling clown better  
I like the clown who knows sadness better

Even though I smile at my miserable self  
I am beautiful  
Everyone with their black neckties  
They can't say anything

Everyone is dancing and laughing  
But I don't like that  
While we drink and look for love  
We forget the truth

I like the smiling clown better  
I like the clown who knows sadness better
