I'm lost, where should I do?
A small alleyway split into twelve ways
Where can I go to meet you again?
If it's my destiny,
If I can choose my destiny
Even if I close my eyes and walk,
I will choose the right path

The disappeared summer time
The summer time that your eyes shone upon me
I'm not just waiting,
I'm walking to find you

The summer time will come back to me
When the cold wind blows, I will close my eyes
What's the time? Summer time

Oompa loompa doom dubi duba doom
I'm not sad, I will dance
Again, again

The brown haired lady has left to find her path
She has fallen in love again and is happy once again
It's a story that has been re-written from the beginning

They say you can go to better places
If you wear better shoes
So I won't stop until I find you

The disappeared summer time
The summer time that your eyes shone upon me
I'm not just waiting, I'm walking to find you

The summer time will come back to me
When the cold wind blows, I will close my eyes
What's the time? Summer time

Oompa loompa doom dubi duba doom
I won't stop, I will dance
Again, again

My feet keep, my feet keep going their own way, yoo hoo
Oh my, pink shoes, oh my
I will set my heart, set my heart properly, yoo hoo
Yah yah, a little faster

My lost summer time
Will I find you after wandering through strange times?
Is it still far ahead? When I get scared,
I smile for no reason

Have you forgotten me?
I hope your time has stopped in mine
Slow the time, stop the time

Oopma loompa doom dubi dubi
Oopma loompa doom dubi duba doom
I will run a bit faster
Again, again, again, again
