Why do I still love you
Why do I sing about you
Why do I still wait for you
Sing about you Say love you
Baby I love you
Why I love you why you

He doesn't look back.
I don't promise you love.
By dancing every day
I guess I couldn't take my eyes off him for a second

I'm not ashamed of him
I'm not laughing at easy jokes
And if you smile,
Oh, I've been up all night

Oh, the clever words that made me live
I hate it, but it won't be forgotten

Without a trace of one by one
Where did you leave in a hurry?

Why do I still love you?
Why do I sing about you?
Why do I still wait for you?
Sing about you say love you
Baby I love you
Why I love you why you

Oh, that's what's keeping me hot
A warm knuckles
I can't shake it off if I try to push it away

I don't give you a shadow.
How did you leave so fast?

Have you ever met him?
That's still how you throw it.
Where are you now, who are you, what kind of music?
I don't know if he's dancing.

Why do I still love you?

Why do I sing about you?
Why do I still wait for you?
Sing about you Say love you
Baby I love you
Why I love you why you
