Climb up me
Climb up me

Look how your lips smile,
Like this is so interesting
I can tell by that face,
You're a mean one
Ah, even your name is beautiful
I want to keep calling it
What I imagine I can't say out loud,
But it's so adorable
Stroking sounds with those little fingers
Singing of colors and sights
In your ticklish voice, yeah

Zeze, climb up the tree
Kiss the leaves
Don't fool around
Don't hurt the tree, bad bad

Zeze, climb up the tree
Take the youngest leaf here
Take the only flower

Climb up me
Climb up me

Look at those blushing cheeks,
Like bloomed flowers
You're innocent, but so clever
So naive like a child,
But so dirty
There's no way to know
What's inside ya

You've got sunshine over your head
But the glimpse of your inside
Is covered in dark clouds, oh

Zeze, climb up the tree
Kiss the leaves
Don't fool around
Don't hurt the tree, bad bad

Zeze, climb up the tree
Take the youngest leaf here
Take the only flower
Climb up me
Climb up me

Just one more touch
I wait for you here every day
Come get it all
I want to call again

I wait for you here every day
You turn back so cold,
But you'll come back tomorrow night

Zeze, climb up the tree
Kiss the leaves
Don't fool around
Don't hurt the tree, bad bad

Zeze, climb up the tree
Take the youngest leaf here
Take the only flower
Climb up me
Climb up me
