

Ahah

Ivan Král

Well you think I'm funny
you love to see me cry
so long
good bye,
you used to call me honey
funny how you've changed
good bye
I've got what I deserve.

You always try to use me
want to break my heart,
good bye
I'm getting tired of your lies,
you want to hurt me
I know when you lie
good bye,
why don't you find somebody else.

Ahah, when you touch me
ahah, you feel so nice
ahah, how I hate you.

Ahah, come on and touch me
ahah, you feel so nice
ahah, how I hate you
ahah, when you touch me
ahah, you feel so good
ahah, I want to hate you
but I wish I was made of ice.

Ahah, I love you babe
I love you babe...
