

Bless You

Ivan Král

I believe
I believe in you,
you're one in a million
one that is true,
with stars in your eyes,
six foot ten
I believe, I'm your man.

I believe
in the power you hold,
you shower me with magic
making me glow,
on certain nights
you fill me with dreams,
make all the bad ones dissapear.

Bless your child
bless your mother
bless your father
you pushed him to cry,
I believe
in powers you hold back,
seems too easy naw, hard to hold.

Bless your child
bless your mother,
embrace the darkness, an easy pray,
I believe in the light within you
where certain rules don't apply.

Bless your child, bless your elders
embrace your bible, buddah, embrace your brother,
I believe, I believe in your magic
stars in your eyes on certain nights.

Bless your child, bless your cousins,
pray in Elvis, Beatles, Bowie, Patti, Iggy
I don't care,
I believe, yeah, I believe in you child,
six foot ten... I'm your man

I believe, yeah I believe, I believe in you...
I believe, I believe in you,
your higher power
you're one in a million!
