All Night

IVE

We always dreamed about this better life, this better life
We always felt it coming all along, yeah, all along
We've got the keys to open paradise, yeah, paradise
Now let's go walking hand in hand

Come on, baby, we can hit the lights, make the wrongs turn right
We can smash the clock, make the pop go rock
With the love this deep, we don't need no sleep
And it feels like

We could do this all night
We could do this all night
Yeah, everything is alright
We've got the keys to open paradise, yeah, paradise
It feels like

We could do this all night
We could do this all night
We could do this all night

I been dreamin' 'bout this memory
Feels like we could do this for centuries
We're in harmony
Follow the melody
Got me fallin' very deep
With you, I feel clarity

Got me speedin' through the city like "woo"
You shot yo' shot and it sounded like "coo"
Lookin' at the stars, what a nice view
Where the gummies at? Tryna catch a vibe with you
Aye, coming through the spot with my icy girls
Red lips, Birkin bag, in the newest Manolos
All my baddies get the bag, I ain't fuckin' with dodos
Baddest bitch online but I look better than my photos
Uh, put yo' lighters up, throwing dirt on my name
Make 'em bite the dust
Yeah, it's Diamonte with the diamond cuts
We can go all night, we ain't gotta rush, aye

We can hit the lights, make the wrongs turn right
We can smash the clock, make the pop go rock
With the love this deep, we don't need no sleep
And it feels like

We could do this all night
We could do this all night
Yeah, everything is alright

We've got the keys to open paradise, yeah, paradise
It feels like
We could do this all night
We could do this all night

We could do this all night

Come on, baby, we can hit the lights, make the wrongs turn right

We can smash the clock, make the pop go rock
With the love this deep, we don't need no sleep
And it feels like

We could do this all night
We could do this all night
Yeah, everything is alright

We've got the keys to open paradise, yeah, paradise
It feels like
We could do this all night
