Body's moving like a robot
Heart be-beats
Bet you didn't know
The feeling of being alive

What's up? I drop a message
But you're offline
Keep stacking the firewall, you're just a sandcastle to me
Let me tease you, naughty
You're fidgeting like a robot
Seems like you're sparking my interest
Press that button

So fast, why you trying to think?
Overheat, going to explode soon enough
(Bump it) Feeling electric
(Bump it) Eyes looking fuzzy
(B-b-bum-bump it) I've got no solution
Love has always been full of errors

The feeling of being alive

How's this? It's me
Unpredictable
The feeling you've never felt before
Spicy hot no mild
Your pick-up lines come straight from a textbook, how cute
Let's hear what else you've got (Oh-oh)

It's so bad being trapped in the norm

Your background to my selfie

And when the rain falls
Your hand I will always hold
Through the sleet
Through the snow
I will always be yours
I live for your smile
I live for your touch
Your love is never too much
Loosen up the bolts that tighten my breath
Become a fool for love
Seems childish, but I like it like that, baby
I need to see you to charge me up
