Fold away the noisy thoughts
Enjoy the pounding rhythm like festa
Put on your favorite sneakers
Run out of breath

Who the hell is so frustrated?
Originally worrying about tomorrow, the day after tomorrow
You don't have to know about things that haven't even happened
That's more fun
I want to enjoy it to the fullest, every day is festa
I feel thrilled in no time, yeah
The refreshing color is dyeing my heart blue

The noisy city center is also my stage
Enjoy the pounding rhythm like festa
The moment to wake up all your senses
Jump higher (Oh-oh-oh)
You can do whatever you want
Shout louder, fun, fun
Make your favorite face
Have a good laugh

Day and day (Yeah)
It's just this (Huh?)
Keep adding something (Ding)
Ding think again
Yesterday, painted black, yeah (Yeah)
Sprinkle starlight

The noisy city center is also my stage
Enjoy the pounding rhythm like festa
The moment to wake up all your senses
Jump higher (Oh-oh-oh)
You can do whatever you want
Shout louder, fun, fun
Make your favorite face
Have a good laugh

It's okay to repeat
It's okay to dream
Everything becomes special, you and me
It's okay to repeat
It's okay to dream, oh-oh-oh

Enjoy this unstoppable start
Pick your favorite color (Ooh)
