It's our time, we're different, we like special things
Oh, what a good time
I'm good, worrying about me is a waste of time
No reply after reading the DM you sent
That's my answer (That's my style)
Even our OOTD is just so like us
When it comes to my favorite things
Don't judge them
I live the way I want, what more do you want
That's my style (That's my style)

Our own carefree nineteen's kitsch
Haven't ever tried this custom fit
Posting on my feed and like it
Everyone's entranced they all press like it
Everyone copies the way I dance
I pop up on your algorithm everyday
Can't control how high it goes, it's a crazy score
No one can expect this nineteen's kitsch

Our own carefree nineteen's kitsch

Sweet words, you have a hidden intention
I won't fall for it because I'm the smart one
I never follow things that I'm not attracted to
That's my style (That's my style)

Yah, everybody, pay attention
Who cares if I only do what I like, huh
This ain't your life
Useless thoughts can go away
I'll do what I want in this frustrating world
YOLO! Say no! Go your own way now
Nagging is quite down
Now finally peace out
