What's wrong
You're laughing again
I can't get my head around it
I'm sure you don't know
I don't have time to figure it out
I think I'll fall in love with you, O-T-T

I got no time to think even for a minute and a second
I like what I like, just like how I feel
I got no time to think, I like what I like
I think I'll fall in love with you
O-T-T

I think it's too much
I don't think it matters
What should I do? You're way too good
Do you know how I feel
What's my heart
I'll just follow my heart heart

What would this feel like?
Like I'm out of breath, exhausted
I can't stand it anymore
Help, help me now

What's wrong
You're laughing again
I can't get my head around it
I'm sure you don't know
I don't have time to figure it out
I think I'll fall in love with you, O-T-T

I got no time to think even for a minute and a second
I like what I like, just like how I feel
I got no time to think, I like what I like
I think I'll fall in love with you
O-T-T

I'm not good enough for you
When I stand in front of you
I cross the line easily
Someone stop me, oh, my God
I'm out of breath, exhausted

I can't stand it anymore
Help, help me now

What's wrong with me
You smile at me again
You color me in an instant
What should I do
Tell me I like you, too
I think I'll fall in love with you, O-T-T

Even if it's overflowing
So that you don't have an upset stomach
Even if it seems too much
It's not too dark
Even if it's overflowing
Even if it seems too much
I think I'll fall in love with you
O-T-T
