Wow

Maybe like N and S poles
Our routines, tastes, everything are different
I still don't get why opposites attract
Really don't get it at all
I don't get it all
Between your always kind gestures
I maintain my self-important attitude
How can we be so different
Everything is the opposite, perfectly opposite (What's wrong?)

How come
We are so opposite
Yet it feels thrilling

It's so strange
Oh My God, I'm shocked
No explanation fits
Why does my heart beat so fast when I see you
Like a magnet, my heart, my heart, my heart is drawn to you

It's so amazing
Oh My God, I don't know
We're so different no matter where I look
But every time I see you, my heart keeps fluttering
Completely different, it shocks me day by day
But I don't care

Wow, oh, wow, wow, wow
Wow, oh, wow, wow, wow
Wow, oh, wow, wow, wow (Oh)
Wow

Even the movies we like
The music we listen to
Even our MBTI types
How can they all be different
We're the exact opposites
Shocked every day
But isn't it fun?
Keep getting drawn in (Like it)

How come
We are so opposite
Yet it feels thrilling

It's so strange
Oh, my God, I'm shocked (I'm shocked)

Wow, oh, wow, wow, wow
Wow, oh, wow, wow, wow (Wow)
Wow, wow

I, the cynical one, laugh
You, with a tender heart, cry (Oh)
What does it matter if we are opposites
Never let you go
I like you
