

# Currency

Ivy Adara

We've been paying our dues  
Working eight days, nine to five  
We've been stuck in our bills  
But we're living one hell of a life  
Maybe we're out of our minds  
But we're never going out of style  
Maybe we're out of loose change  
But I'm never gonna change for ya

We've got all we need  
When it's you and me

We're the new currency  
Making diamonds look cheap  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency  
Can't put a price on dreams  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency

We got the kinda credit card that we know will decline  
And we can run it so wild 'cause we don't have to spend a dime  
And no, we'll never be sold just doing everything they say  
And no, we'll never grow old, we were born doing it this way

We've got all we need  
Richer than money

We're the new currency  
Making diamonds look cheap  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency  
Can't put a price on dreams  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency  
Ooo, yeah, ooo, yeah

Currency, we're the new currency  
They ain't even current, see  
We're the new currency, yeah, yeah, yeah  
'Cause we're the new currency  
They ain't even current, see  
We're the new currency, yeah, yeah, yeah

We've got all we need  
When it's you and me

We're the new currency  
Making diamonds look cheap  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency  
Can't put a price on dreams

Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency  
Ooo, yeah, ooo, yeah

We're the new currency  
Making diamonds look cheap  
Love is our cash machine  
The gold in our hearts, that money can't buy  
We're the new currency
