

# Nothing Matters Without You

Ivy Levan

Take me out to see the pretty lights  
'Cause I'm high as fuck tonight  
I wanna go to  
New York City, Vegas, London, France  
Got me wrapped up in your hands

Every time you look away  
My heart slips through your fingers  
Every time you walk away  
I just hope you'll remember

Ten reason I could just die  
In your arms without you  
Fuck it...

'Cause nothing matters without you  
No nothing holds me like you do, oh-oh-oh  
So-oh-oh...  
Help me, help me, I'm dyin' baby  
Help me, help me, come on and save me  
Nothing matters without you  
Ooh-ooh-ooh, ooh-ooh-ooh, ooh

Drive me down my coast at 9 to 5  
Livin' like it's our last night  
I wanna take my clothes off at the beach at 4 AM  
Press your lips up to my skin

Every time you look my way  
My heart beats just like thunder  
Every time you say my name  
I can never recover

Ten reason I could just die  
In your arms without you  
Fuck it...

'Cause nothing matters without you  
No nothing holds me like you do, oh-oh-oh  
So-oh-oh...  
Help me, help me, I'm dyin' baby  
Help me, help me, come on and save me  
Nothing matters without you  
Ooh-ooh-ooh, ooh-ooh-ooh, ooh

Don't let me take my last breath without you  
Don't let me take my last breath without you  
Don't let me take my last breath without you  
Don't let me take my last breath

Don't let me take my last breath without you  
Don't let me take my last breath without you  
Don't let me take my last breath without you  
Don't let me take my last breath

'Cause nothing matters without you  
No nothing holds me like you do, oh-oh-oh

So-oh-oh...

Help me, help me, I'm dyin' baby

Help me, help me, come on and save me

Nothing matters without you

Ooh-ooh-ooh, ooh-ooh-ooh, ooh
