

When I Get Home

Ivy Levan

Hey, hoooo

Goddamn, It's been a long day
And I'm hoping for a longer night
My man he needs a good lady
But I want be so bad tonight

Can't wait to get you inside
I'ma take you for a wild ride

When I get home, you're gonna get it (Yeah yeah yeah yeah)
When I get home, you're gonna get it (Yes you will, oh naughty)
Hold you up against the wall
Fuck you like an animal, get it (Oh yeah, oh yeah, yeah yeah)
When I get home, you're gonna get it (Yeaaah, yeah, yeah, yeah)

Goddamn it's gonna be a long night
And I'm gon' have my way with you
My man, you're gon' be so high
And I know how I'm gonna thank you

Can't wait to get you inside
I'ma take you for a wild ride

When I get home, you're gonna get it (Yeah yeah yeah yeah)
When I get home, you're gonna get it (Yes you will, oh naughty)
Hold you up against the wall
Fuck you like an animal, get it (Oh yeah, oh yeah, yeah yeah)
When I get home, you're gonna get it (Yeaaah, yeah, yeah, yeah)

When I get home, you're gonna get it (Yeah yeah yeah yeah)
When I get home, you're gonna get it (Yes you will, oh naughty)
