

I've Got You Memorized

Ivy

I have had enough
It's just so tired
It's got to end
I have figured out
What you're about
Let's not pretend

(It's true, it's true)
Don't you realize?
I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies
(It's true, it's true)
Don't you realize?
I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies

It's true, it's true

Please, don't push your luck
It's all used up
For good this time
Please, it's got to stop
I know just what
Is on your mind

(It's true, it's true)
Don't you realize?
I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies
(It's true, it's true)
Don't you realize?
I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies

Your mind must be racing when you get out of bed
I can only imagine what goes on in your head
You don't say what you mean and you don't know what you said
Instead of saying nothing, make up something instead

It's true

(It's true, it's true)
Don't you realize?
I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies
(It's true, it's true)
Don't you realize?

I've got you memorized
(It's true, it's true)
I see it in your eyes
When you start telling lies

It's true, it's true
I've got you memorized
It's true, it's true
I've got you memorized
I've got you memorized
