

# Try

Iwan Rheon

If all the world's a stage  
And all the men and women merely players  
Why can't we skip to act two?  
Die and thrive in absolute  
Terror  
It'll never leave ya  
But it can't take away  
That smile that you made

I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try  
I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try

The rain machine drips on the page  
But love can't battle the rage  
That's between you  
And the one who taught you  
Humour  
Every slipped second take  
All of the lines that we break  
Grooming rumours and flakes

I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try  
I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try

Please surrender  
I will  
Please surrender  
I will  
Please surrender  
I will

If all the world's a stage  
And all the men and women merely players  
Then why did my knee get sore?  
As I drove through the wall  
With laughter  
Every same scene that we see  
In a world that can't be  
Here forever

I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try  
I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try

Please surrender  
I will

Please surrender  
I will  
Please surrender  
I will

I can try, I can try, I can try, I can try, I can try  
I can try, I can try, I can try, I can try, I can try  
I can try
