

Killed to Death

Iwrestledabearonce

How could every single drop of consciousness be pushed aside?
Brushed under a paradigm where ignorance is left to thrive.
Five faces.
The death of death is vital to the preserver.
Hide your face to take your place inside his realm.
Divine anger.
Five faces.
Buried alive.
The virus of euphoria.
Witness declined.
Victorious
Intelligence to finish us.
They know that their right for the wrong way.
Hide your face as you strike a match.
Intelligence is turning to ash.
The truth is, you are the assailant.
Decimate them all.
Ignite the stake to burn them all.
If their minds have awakened.
