Kingston, J.R.

Ever since we met that day we were hangin' on the lawn Cuz we always talk about where we are and where we goin' Everybody's tryin' to be on the ball and stay in control But they keep forgetting that Sean Kingston won the show

You don't have to fear nothing, gonna be better for you and I Find a way to breathe easy and forget about all the lies Baby, all your worries I will help you put to side You don't have to turn around let's find a place to hide

Baby let's just do this
(Get away, get away, get away)
Quick before they notice
(Get away, get away, get away)
Speedin' with a purpose
(Get away, get away, get away)
Nobody will catch us
(Get away, get away, get away)

I'm on the run with my baby
(Oh oh ohh)

Hurry up are you ready let's go let's get rebellious We don't care what other people say it is our business Tell me where you wanna go because the road is boundless Anywhere as long as I'm with you I'll feel no stress

You're the type that don't care about the money and fame And that's the only reason why I gamble everything Don't wanna run alone cuz without you it ain't the same And it's time to let them know that we ain't playin' games

And leave (and leave)
And now the only way is to leave (leave)
Eh eh let's go for gold
While the people still have their 'trol
We'll have them running in circles girl

So, baby let's just do this
(Get away, get away, get away)
Quick before they notice
(Get away, get away, get away)
Speedin' with a purpose
(Get away, get away, get away)
Nobody will catch us
(Get away, get away, get away)

I'm on the run with my baby
(Oh oh ohh)

Gotta say, been waiting for this day On our way Without leavin' no trace eh eh

We be runnin' ah, we be runnin' ah, we be runnin' ah,

(No worries will be) We be runnin' ah, we be runnin' ah, Tell you all I can be leaved

And now the only way is to leave (leave) Eh eh let's go for gold While the people still have their 'trol We'll have them running in circles girl

So, baby let's just do this
(Get away, get away, get away)
Quick before they notice
(Get away, get away, get away)
Speedin' with a purpose
(Get away, get away, get away)
Nobody will catch us
(Get away, get away, get away)

I'm on the run with my baby (Oh oh ohh) [4x]
