

The Train

IZIA

I don't know if I can go when I feel it burns in me
It's like the only thing that now I really wanna live
Come on darling let's go come on let me see how you feel.
I don't know if I can cause I know that I've lost my keys.

I'm here front of the door and I'm feeling a bit lonely
I'm sitting on the step just like a black bird on a tree
It's gonna be too late if I do not call one two three
I don't know if I can cause I know that I've lost my keys.

I don't know what to do cause life is trying to trick me
It's gonna take too long before that I can find my keys
The decision is mine and this is driving me crazy
I don't know I don't know I don't know if I can go

I don't know if I can go when I feel it burns in me
It's like the only thing that now I really wanna live
Come on darling let's go come on let me see how you feel
I don't know if I can go
I don't know if I can go

One two three four

I don't know if I can go when I feel it burns in me
I have got two big quick the choise's not gonna wait for me
Life is too fucking short and I have many things to live
I don't know I don't know I don't know if I can go
I don't know I don't know I don't know if I can go
I don't know I don't know
I don't know if I can go
