This feeling is more than a ruby (more than a ruby)
Like the sparkling that I'm feeling

If you're being pulled, be pulled, na na now
Right now, na na now
I don't wanna make it blue
Imagine your la vie en rose

Your deepened eyes
Make my heart red and burn, makes me dance
Ooh don't forget this rose standing here
Ooh so I can always shine

La La La La Vie en Rose
(Ooh) This is my my
La La La La Vie en Rose (Rose)
(Ooh) Oh It's my my

La La La La Vie en Rose

You can be excited

Even if it's up close (red)

Sparkling eyes like rubies

All eyes on me

So I can shine brighter than anyone So I can be red

This feeling is more than candy (more than candy)

Like the sweetness I feel

If you're being pulled, be pulled, na na now

Right now, na na now

I don't wanna make it blue

Imagine your la vie en rose

Your deepened eyes

Make my heart red and burn, makes me dance

Ooh don't forget this rose standing here
