Izrael

Let's push the evolution  
Let's move the world ahead  
...One for another...  
Brotherhood of man...  
Science and culture  
Nature and faith  
Working together...For...  
Brotherhood of man  
The power of the history  
The power of the roots  
Genetical justice...  
Brotherhood of man  
Science and culture  
Nature and faith  
Working together...For...  
Brotherhood of man  
All we are one nation  
People of the world  
...No segregation...  
Brotherhood of man  
Science and culture  
Nature and faith  
Working together...For...  
Brotherhood of man  
Brotherhood of man
