

Adam & Eve

Izzy Bizu

Deeper I struggle, deeper I get
I'm in sinking sands, losing my head
Give me a flashlight, you see me coming
I'm in a dark place, you see me coming

So pick that apple from a tree, damn you look so sweet
Do you want it?
Yeah I want it
Your poison's taking over me
Swiftly gives me sweet release
Yeah I want it, I'm gonna get it
Stranger and it keeps getting stranger
Yeah I want it
Stranger and it keeps getting stranger

All your obsessions are haunting me
The walls are closing in, possessing me
Holding my desire in your hands
Raise the fire storm, unveil your plans yeah

So pick that apple from a tree, damn you look so sweet
Do you want it?
Yeah I want it
Your poison's taking over me, swiftly gives me sweet release
Yeah I want it, I'm gonna get it
Stranger and it keeps getting stranger
Yeah I want it
Stranger and it keeps getting stranger

Cause I want it - want it
I'm gonna get - it get it
Cause I want it - want it
I'm gonna get it - get it all

You hold me ransom every time
Man you're playing with my mind
You got me crossing all the line
Tempted by your honey wine

So pick that apple from a tree, damn you look so sweet
Do you want it? yeah I want it!
Your poison's taking over me, swiftly gives me sweet release
Yeah I want it, I'm gonna get it
Stranger and it keeps getting stranger
Yeah I want it
Stranger and it keeps getting stranger
