

Let Me Love You

J Boog

See so many girls coming my way
But a you me mind deh 'pon, baby
Come mek me tell that to mommy
Hear weh the J Boog a say, yeah

All we need is one night together
I will never wanna be apart
But your a love like no other
And I'll forever protect your heart
Let me love you, girl, oh yes
Let me love you, girl
Oh yes, oh yes

A long time me a see you round the place
Realize you is the woman who nah have no time fi waste
So mek me give you, love and reality, strictly prosperity
Want to see you happy so I give you my everything
J Boog just want to see you smiling all the time
Like when you and I inter-twine
Right now it's just a dream
And me want it become reality, reality
Baby

All we need is one night together
I will never wanna be apart
But your a love like no other
And I'll forever protect your heart
Let me love you, girl, oh yes
Let me love you, girl
Oh yes, oh yes

I can see how far we can go
Even if it roug,h we still nah let go
And baby I sure as J Boog a me name
A future full a love is all we gonna gain
I'm telling you
With likkle love loving inna the morning
To carry me through the day and the evening
But one night enough to express the feeling
That I'm feeling
All I know is

All we need is one night together
I will never wanna be apart
But your a love like no other
And I'll forever protect your heart
Let me love you, girl, oh yes
Let me love you, girl
Oh yes, oh yes

I don't wanna see myself with another, no, no
I know it will be worth the time, yeah, yeah
Listen up this love has got me worried
To the point where I'm seeing
If it ain't about you and me
I know it's got to be
I know it's got to be

All we need is one night together
I will never wanna be apart
But your a love like no other
And I'll forever protect your heart
Let me love you, girl, oh yes
Let me love you, girl
Oh yes, oh yes

All we need is one night together
I will never wanna be apart
But your a love like no other
And I'll forever protect your heart
Let me love you, girl, oh yes
Let me love you, girl
Oh yes, oh yes
