Inna me head like a replay (oh oh)
Inna me head like a replay (oh oh)
Inna me head like a replay (oh oh)
For dem girl me say again

I could tell in your body language you're ready
She have the whole package, for real she deadly
I'm a go and just observe for the time
To let you know what I'm feeling inside
I'm going to get you girl, quality time
Whatever baby, you and me, ya know the kind
Fill up my cup, with your love
Girl you make me sing

She give me good vibes, never no strife, beautiful side of every day
Her mood never in a rain, rain
She give me the love, feel of good love, many a time a day
She reel me and I can't break away
[x2]

Push your voice and let me hear you shout
Me get to ten you know how I get down
Let me hear you say, hit the highs J
She whisper in my ear, she say she what a replay
You're looking nicely and want you to fall
Set up nice, and watch me knock it down
Let me hear you say, hit the highs J
Girl you make me sing

She give me good vibes, never no strife, beautiful side of every day
Her mood never in a rain, rain
She give me the love, feel of good love, many a time a day
She reel me and I can't break away
[x2]

Me love the girl then me prefer then the other
Girls like Shawna, Lana, Ivana
One in a Sweden, me say one over Ghana
Me give dem a look anytime me right round the corner
I'm a don and a player
Me have nuff a Cali and a JA
Them call me phone like every single day
Even when they have nothing to say
So every time I come around your way
You make sure me have a place to stay

She give me good vibes, never no strife, beautiful side of every day
Her mood never in a rain, rain
She give me the love, feel of good love, many a time a day
She reel me and I can't break away
