

Living With the Dreaming Body

J Church

Robin's in the metaphysical section,
She's got "Living With The Dreaming Body.",
Robin's in the metaphysical section,
She's sprawled out along the carpet floor

She says my work is like eating cold oatmeal,
Yesterday's oatmeal, day after day,
She says my work is like eating cold oatmeal,
Day after day, and she's right

Drunk on margaritas and full of food,
She says "It's hard to be with one when you're in love with a
nother",
Drunk on margaritas and full of food,
She says "It's hard to be with one when you're in love with a
nother,
when you're in love with another."

Robin's in the metaphysical section,
She's all drunk on the carpet floor
