Dreams

J. Cole

Yeah! Uh!
Yeah, you gotta look,
You gotta follow me, what I'm doin' rite here mayne
Like when I say this shit is crazy,
I don't mean it's crazy like crazy
I just mean crazy like it's fuckin', it's actually crazy,
Nah'mean
Yeah!

Seems like I always had crushes on chicks I couldn't have
And then I end up fucking with someone I shouldn't have
See, in my mind, it's like I'm perfect for her, I gotta show her
But sadly, in reality, dog, I don't even know her
But still somehow she got my mind infatuated
Absolutely fascinated with the thoughts of what she might be like
Time after time after time I had to wait, is-
Is fate procrastinating?
I can take it 'cause I might be right, 'cause it's

This is the girl of my dreams, yeah
Ay, is she good as what she seems?
Uh, or am I lying to myself?
Uh, ay should I try and get some help?
Yeah, this is the girl of my dreams
Is she good as what she seems?
Or am I lying to myself?
Ay, should I try and get some help?

Yeah, yeah
Oh shit, she passed me on the boulevard
Ay, tell me is it stalking if I follow her
Like all the way home without her knowing
Nah, nigga, I'm just curious where she stay at
Besides when I'm with her, this gon' be the spot we lay at
And maybe I'll just drive by occassionally
And if one day I happen to see her outside, she wave to me,
Imagine what she'll say to me
This ain't no time to be afraid no more
It's time for bravery
No matter if my homies think I'm crazy

This the girl of my dreams
Hey, ay is she good as what she seems?
Uh, or am I lying to myself?
Uh, ay should I try and get some help?
Yeah, this is the girl of my dreams
Ay, is she good as what she seems?
Or am I lying to myself?
Ay, should I try and get some help?

Yeah, yeah, look
I spot her walking in the mall, okay, it's time to grow some balls
If she really gon' be yours, oh my god, I'm walking towards her
My mind screaming stop, but my legs keep walking forward
Straighten up your face, nigga, she see you coming for her
My heartbeat racing, and my hands keep shaking
Say something, you shy motherfucker, she's waiting,

"Wassup girl, don't mean to interrupt
But in the city I done met a lot of women
But you from my dreams, ay will you come true?
I know about a show that we can catch,
Some R&B and rap, ay you should come thru"
She said, "uh, I love too, except I don't like rap
Besides, if I went with you, then I don't really think my man would like tha
t"
Damn! Man,
Okay, you say you got a man,
I mean, I definitely understand, I'm happy for you, really am,
I couldn't have been the only fan in the world Of a girl like you
I mean, you're beautiful, and I'm sure he's a very nice dude
It ain't no biggie, well I'm sure that I'm gon' see you around the city
Only thing I ask if shit don't work out for y'all, don't forget me
And don't act like a stranger when you see me on the scene
I came up with a world-class scheme to get

The girl of my dreams
Uh, ay is she good as what she seems?
Uh, or am I lying to myself?
Or should I try and get some help?
This is the girl of my dreams
Ay is she good as what she seems?
Or am I lying to myself?
Ay should I try and get some help?

Yeah, yeah
So I find out the nigga name, know exactly where he stayin'
Find out when he leave for work, hold up nigga, is you sane?
I'm a follow in my car; I'm a cut in front of his
Run him right into the wall, maybe even off the bridge
I give her a little time, then console her while she crying
She gon' take that as a sign; finally she will be mine
I'll be king, and she'll be queen when I hit her with ring
At the wedding, who gon' sing?

This the girl of my dreams
Is she good as what she seems?
Or am I lying to myself?
Ay should I try and get some help?
Ay, this is the girl of my dreams
Is she good as what she seems?
Or am I lying to myself?
Think I should I try and get some help?

Haha
Yeah
Aye!
