

# I Rep My Hood

J. Dash

Dash

I rep my hood, I throw it up  
We in the club, we throw it up  
You call me out, I'm showin' love  
Got a nigga in the corner hatin' all on a dude like me  
'Cause your girl can't get enough  
'Cause I rep my hood, I throw it up  
We in the club, we throw it up  
You call me out, I'm showin' love  
Got a nigga in the corner hatin' all on a dude like me  
'Cause your girl can't get enough  
'Cause I rep my hood

I represent that D to the U to the V-A-L  
With no concept of law  
'Cause they use them cars to move them kis  
Like they use them kis to move that car  
I know you're sayin' "Who the-who is that?  
And how do you get this fly?"  
Yeah, I know I'm new on the scene and you wonder  
How the heck could I be that raw, 'cause  
I'm a monster, yeah, I'm a monster  
Kind of like 'Blanca got mo' trunks than Tonka  
Tell e'rybody and they mama

Godfather Don is back in the buildin'  
And y'all know that I ain't gon' stop  
'Til I stack this paper to the ceilin'  
And y'all always know where I are, 'cause

I rep my hood, I throw it up  
We in the club, we throw it up  
You call me out, I'm showin' love  
Got a nigga in the corner hatin' all on a dude like me  
'Cause your girl can't get enough  
'Cause I rep my hood, I throw it up  
We in the club, we throw it up  
You call me out, I'm showin' love  
Got a nigga in the corner hatin' all on a dude like me  
'Cause your girl can't get enough  
'Cause I rep my hood

Don't hate 'cause I bred mine  
And we stay ducked off like like a Tec-9  
Niggas get a little money when they small time  
Now they wanna leave the hood out but I kept mine  
And I represent Duval county  
From the south side straight to the Landon  
They sharks in the water tryna drown me  
But I'm here and I'm still standin'  
I'm a beast, flip it, sick kids, let's pick  
Hit, tick, tick it, flip, ride this  
The mack makin' it, flippin' the script  
Lettin' 'em visit the black, you know the boy's the crack
