Sexy lady  
Ain't gotta get to know ya  
Ain't trying to get your number  
But I just had to tell ya  
That your strut make me wanna want ya  
It's the way that you move your body  
I don't think you think you know her  
One foot in front of ya

I like the way you move it  
I like the way you roll  
I like the way you walk it  
Your body's out of control  
Ain't gotta get a sweat  
Just...  
You classy, you sassy  
And every time that you pass me

You  
Walk with it, ahh, walk with it, ahh, walk with it, ahh, walk with it, ahh  
Walk with it, ahh, walk with it, ahh, walk with it, ahh, walk with it, ahh  
Strut, strut, strut, strut  
Strut, strut, strut, strut  
I bet your strut looks better than her  
I bet your strut looks better than her

Baby, why you gotta tease me  
You walk like that, you please me  
Make it look so easy

Did you see that  
How she walk with it  
Did you see that  
How she walk with it  
She walk it like a soldier  
Her strut can't get no bolder

I like the way she move it  
I like the way she roll  
I like the way she walk it  
Her body's out of control  
Ain't gotta get a sweat  
Just...  
She classy, she sassy  
And every time that you pass me

I put down

Your body  
Out of control  
You classy, you sassy  
And every time that you pass me

You
